

Quality Certified

Certificate of Registration

Asia Pacific Aerospace Pty Ltd

ABN: 82 057 052 025

750 Macarthur Avenue Central, PINKENBA, QLD, 4008, Australia
15 Chapman Place, EAGLE FARM, QLD, 4009, Australia

operates a

Quality Management System

which complies with the requirements of:

AS 9110C

AS 9110C is technically equivalent to EN 9110:2018 & JISQ 9110:2016. This certification has been performed in accordance with the requirements of AS 9104/1:2012. TQCSI is accredited under the IAQG ICOP Scheme.

Certification Structure - Multiple Site

The registration covers the maintenance, repair, and overhaul of small to medium gas turbine engines (including T700/CT7/RR 250 Engines and Accessories), aircraft components, refurbishment, and distribution of associated aviation products. This includes special processes as required (e.g., NDT (FPI-MPI-EC), Welding and machining), and the provision of NDT Services. Maintenance, repair, and overhaul of small to medium gas turbine engines (including RR 250 series and accessories), aircraft components, refurbishment and distribution of associated aviation and non-aviation products. This includes special processes as required (e.g. NDT (FPI-MPI), Welding, Machining, Thermal spray and Shot peening).

See Schedule of Registration for sub-scopes of multiple sites.

Services not covered by Head Office: Distribution of associated non-aviation products and special processes as required (e.g. Thermal spray and Shot peening).

Original Certification: 10 August 2018
Certification/Reissue Date: 22 July 2022

Registration No: AU1676-QCR
Expiry Date: 9 August 2024
