

Quality Certified

Certificate of Registration

Asia Pacific Aerospace Pty Ltd

ABN: 82 057 052 025

750 Macarthur Avenue Central, PINKENBA, QLD, 4008, Australia
15 Chapman Place, EAGLE FARM, QLD, 4009, Australia

operates a

Quality Management System

which complies with the requirements of:

AS 9110C

AS 9110C is technically equivalent to EN 9110:2018 & JISQ 9110:2016. This certification has been performed in accordance with the requirements of AS 9104/1:2012. TQCSI is accredited under the IAQG ICOP Scheme.

Certification Structure - Multiple Site

The registration covers the maintenance, repair and overhaul of small to medium gas turbine engines and aircraft components, and the refurbishment and distribution of associated aviation and non-aviation products; including welding, thermal spray, shot peening, machining and the provision of NDT services.

See Schedule of Registration for sub-scopes of multiple sites.

Services not covered by Head Office: Distribution of associated non-aviation products and special processes as required (e.g. Thermal spray and Shot peening).

Registration No: AU1676-QCR

Current Certification Approval: 28 September 2021

Certificate Issued: 8 December 2023

Original Certification: 10 August 2018

Expiry Date: 9 August 2024
